STUDENTS AGAINST DRINKING AND DRIVING INCORPORATED

Mission Statement:

Student Leaders Dedicated to Stopping Impaired Driving.

Objectives:

SADD will continually strive to bring deaths due to drinking and driving in Saskatchewan down to zero. We believe this goal can be achieved using the following objectives.

Expand the scope of the SADD program so that it reaches larger segments of society with its drinking and driving prevention message.

Work to establish greater continuity within local SADD chapters and the provincial SADD organization.

Save lives and prevent injuries caused by drinking and driving through education.

Influence legislation and public policy in areas related to drinking and driving.

Statement of Principles:

1. SADD is a youth organization and therefore at all public events, media appearances, and other public representations, SADD shall always be represented by youth.
2. SADD is dedicated to saving lives and preventing injuries and as such will use its resources to pursue that goal most effectively and will not use its resources to create a self-serving bureaucracy.
3. SADD is a volunteer organization and therefore any staff members that are hired are to work for the volunteers. It is to be clear to all the staff that he/she works for the volunteers, not the other way around.
4. SADD shall be carried on without purpose of financial or material gain of any kind for its members, and any profits or other accretions to the organization shall be used solely to promote the objectives of SADD.

Statement of Purpose

To initiate, organize, encourage, and facilitate activities, events, and general behavior that will prevent impaired driving acts, both directly and indirectly, in the following ways:

1. Promoting options to individuals who have been drinking so that they will not drive impaired. Examples would include designated drivers, chemical-free events, taxi/chauffeur services, sleepovers, and planning before social events.
2. Educating the public about the legal, social, health, and safety risks, associated with impaired driving.
3. Providing necessary training and education to volunteers who wish to facilitate the first two purposes.

NORTH VALLEY HIGH 2025

President's Report

Dear SADD Members,

As I look back on this past year, I feel both proud and grateful for what we've accomplished together as part of the SADD family. A big welcome to the new chapters who joined us this year, and welcome back to our returning chapters whose continued dedication strengthens our community. What makes SADD stand out is not just the events we hold, but the people who show up, lead, and care.

One of the biggest highlights of the year was our very successful Provincial Conference held in Saskatoon, where we welcomed 137 attendees. The energy, passion, and collaboration displayed throughout the event were truly inspiring, and it was wonderful to see so many students and advisors come together to strengthen our movement. We also had a fantastic Provincial Impaired Driving Awareness Week in March, featuring guest speaker Sandra La Rose, who shared her powerful story with over 1,500 students across 5 schools. Her message made a lasting impression, reminding us why the work we do matters.

This year, we were thrilled to see growth across the province with the launch of 10 new SADD Chapters. A special thank you goes out to Stephanie Poier, our Outreach Coordinator, whose hard work and dedication played a huge role in making this possible. The enthusiasm of these new chapters gives us so much hope for the future of SADD. As we look ahead, let's continue to build on this momentum and keep working together to create safer roads and stronger communities. Each of you plays a vital role in carrying out our guiding principle: "Friends Don't Let Friends Drink and Drive." Thank you for your passion, dedication, and ongoing support. Together, we are making a real difference. Keep up the great work.

Christine Kwon

SADD Saskatchewan President

SANDRA LA ROSE SPEAKS

SCHOOL OUTREACH COORDINATOR'S REPORT

This past year has been one of incredible momentum for SADD Saskatchewan, and I am honoured to share the progress we have made through school outreach. Working directly with schools across the province has given me the opportunity to connect with educators, advisors, and most importantly students, who are passionate about creating change in their communities. From initial conversations with staff to supporting chapters as they launch their first events, it has been inspiring to see the enthusiasm and leadership of Saskatchewan youth in action. It was wonderful to tour the province, bringing the Fatal Vision presentation to over 8 schools, with the reminder to always plan a safe ride home and to never drive impaired or distracted. I look forward to sharing SADD's message with other schools this 2025-26 school year!

One of the highlights of this year were the new chapters who registered. We were able to establish ten new SADD chapters, bringing fresh energy and voices into the movement. Each chapter represents not just numbers, but students who are actively choosing to stand up for safer roads and healthier choices. In order to best support new and existing chapters, I have created brand-new resources and ready-to-use activities, designed to make it easier than ever for chapters to run campaigns and events. These updated materials provided advisors and students with fresh tools helping to spark engagement and allow chapters to hit the ground running. If you have not received these resources via email, please reach out to me via email at saddschooloutreach@gmail.com

Beyond resource creation, my outreach also included supporting the amazing work of our SADD chapters! It was wonderful to see schools host mini conferences, engage in spirit weeks, set up carnivals, post social media images for Provincial Impaired Driving Awareness Week, and host guest speakers through the SGI Speakers Program. These activities gave students the chance to connect with impactful stories, learn new strategies, and share their own ideas for positive change. As we look ahead, my focus is to continue strengthening relationships with chapters, ensuring every chapter feels supported and every student knows their voice matters. Together, with the dedication of our advisors and the leadership of our youth, we are building a stronger network of safe driving advocates across Saskatchewan. Please do not hesitate to reach out to myself, so we can build a brighter future for tomorrow!

Warm Regards,

Stephanie Poier

PROVINCIAL DIRECTOR'S REPORT

The 2024-25 year for SADD Saskatchewan was a great year for SADD Saskatchewan. The addition of our new School Outreach Coordinator, Stephanie Poier, led to the starting of 10 new SADD Chapters across Saskatchewan. This brought our total SADD Chapter in the province to 38. We welcome our new Chapters. Our returning Chapters are to be congratulated for conducting community Red Ribbon campaigns, public awareness projects, fun events and fundraising. Thank you all for your efforts. You and your advisors are to be commended.

The Board of Directors and Board of Representatives met four times during the year, including the Annual Meeting in and the budget meeting in May. These dedicated members give their time and energy to help ensure SADD Saskatchewan remains focused on serving our member Chapters and promoting our mission. Thanks to you all for doing a great job. As well, I would like to express my personal thanks and gratitude to our SADD Saskatchewan Program Assistant Jenny Spinarski for all her assistance over the course of the year.

The SADD Saskatchewan Provincial Conference was held October 18-19, 2024 in Saskatoon at the Travelodge Hotel. A fabulous group of 137 students and advisors attended and were treated to excellent presentations and all were well received. Thanks to our Board members and TEAM SGI for making the Conference a success once again this year

Other events/activities normally conducted during the year including the Red Ribbon Campaign Launch in November, Provincial Impaired Driving Awareness Week in March, and a Speaker's Tour in March, that featured Sandra La Rose doing presentations that reached 1500 students at 5 schools. All the schools were very pleased with her presentation.

Special thank you to Troy Corbett and his team from SGI for his help this past year. Troy was instrumental in providing SADD Saskatchewan with a new funding agreement. This funding allowed us to hire our new School Outreach Coordinator. We look forward to helping new Chapters start across the province in the coming year. We look also look forward to continuing working with Troy and his team during the coming year.

Respectfully submitted,

Tim Spelliscy
Provincial Director
