## **STUDENTS AGAINST DRINKING AND DRIVING INCORPORATED**

### **Mission Statement:**

Student Leaders Dedicated to Stopping Impaired Driving.

### **Objectives:**

SADD will continually strive to bring deaths due to drinking and driving in Saskatchewan down to zero. We believe this goal can be achieved using the following objectives.

Expand the scope of the SADD program so that it reaches larger segments of society with its drinking and driving prevention message.

Work to establish greater continuity within local SADD chapters and the provincial SADD organization.

Save lives and prevent injuries caused by drinking and driving through education.

Influence legislation and public policy in areas related to drinking and driving.

### **Statement of Principles:**

1. SADD is a youth organization and therefore at all public events, media appearances, and other public representations, SADD shall always be represented by youth.
2. SADD is dedicated to saving lives and preventing injuries and as such will use its resources to pursue that goal most effectively and will not use its resources to create a self-serving bureaucracy.
3. SADD is a volunteer organization and therefore any staff members that are hired are to work for the volunteers. It is to be clear to all the staff that he/she works for the volunteers, not the other way around.
4. SADD shall be carried on without purpose of financial or material gain of any kind for its members, and any profits or other accretions to the organization shall be used solely to promote the objectives of SADD.

## Statement of Purpose

To initiate, organize, encourage, and facilitate activities, events, and general behavior that will prevent impaired driving acts, both directly and indirectly, in the following ways:

1. Promoting options to individuals who have been drinking so that they will not drive impaired. Examples would include designated drivers, chemical-free events, taxi/chauffeur services, sleepovers, and planning before social events.
2. Educating the public about the legal, social, health, and safety risks, associated with impaired driving.
3. Providing necessary training and education to volunteers who wish to facilitate the first two purposes.

## President's Report

Hello all,

Welcome back to another year of SADD! I hope everyone had a great summer. This past year our board was quite full, but with many students graduating high school we are now looking to fill some district representative positions. We had our provincial conference in October of last year, and like every year we will recruit and welcome all new board members. I hope that we can continue this year with a strong and motivated group.

SADD was involved in a few special events this past year. Red Ribbon Week took place in November which included support from CAA and media interviews. We were proud to be included in the Ding in the New Year program, which offers free bus rides on New Year's to ensure everyone has a safe ride home. SADD was there to support the new impaired driving laws that were in affect as of January 1<sup>st</sup>. Our annual speakers tour kicked off on March 7<sup>th</sup> in Moose Jaw with Joey Cowan. Thank-you to all of the schools who applied. Lastly, we were very excited and proud to be welcomed to the launch of SGI's new campaign focused on impaired driving.

We are very excited to kick off National Teen Safe Driving Awareness Week on October 15<sup>th</sup>, and I would like to thank all of you for your continued support of the years. This was my first year as president, and I have had the best time during my journey with SADD. I look forward to seeing what more we can accomplish within the next year! Remember Friends Don't Let Friends Drink and Drive!

Respectively,

Carley Matechuk

President – SADD SASKATCHEWAN

## PROVINCIAL DIRECTOR'S REPORT

The 2016-17 year for SADD Saskatchewan was very successful as we continued our campaign to stop drinking and driving in Saskatchewan. Of our fifty five registered Chapters, eight were newly registered during the year. We welcome our new Chapters. Our returning Chapters are to be congratulated for conducting community Red Ribbon campaigns, public awareness projects, fun events and fundraising. Thank you all for your efforts.

The Board of Directors and Board of Representatives met four times during the year, including the Annual Meeting in Regina at the Provincial Conference and the budget meeting in June. These dedicated members give their time and energy to help ensure SADD Saskatchewan remains focused on serving our member Chapters and promoting our mission. Thanks to you all for doing a great job. As well, I would like to express my personal thanks and gratitude to our SADD Saskatchewan Program Assistant Jenny Spinarski for all her assistance over the course of the year.

The SADD Saskatchewan Provincial Conference was held October 21-22, 2016 in Regina at the Double Tree Hotel. We had some 175 delegates from SADD Chapters from across the Province attend. The conference had excellent speakers and breakout sessions. Special thanks to President Carley Matechuk, her planning committee, and Team SGI for an awesome event enjoyed by all participants.

Other events/activities conducted during the year included; the Red Ribbon Campaign Launch in November, Provincial Impaired Driving Awareness Week in March, and a Speaker's Tour featuring Joey Cowan in March. We received some excellent press coverage for many of our activities.

I must send out a special thank you to Shannon Ell and SGI, your continued support of SADD Saskatchewan is truly remarkable.

Respectfully submitted,

Tim Spelliscy  
Provincial Director

SADD Students, Advisors, Board Members and Staff

Welcome to the 2017/18 school year! Didn't the summer fly by? And what a beautiful one! Each year I am continually amazed at the dedication and creativity that is demonstrated by SADD chapters around the province. And with the profile of impaired driving escalating in the media these days it is a good time to keep the attention coming! Together we can make the impaired driving culture shift!

Now would be the perfect time to bring your creativity and dedication to the provincial level by becoming a member of the Board of Representatives or a District Representative or in any capacity you can. Your input is vital to the success of SADD Saskatchewan. And being the member of a Board of a provincial organization looks pretty good on a resume!

I encourage you and your chapter to make use of the award programs, such as the Sarah Dunleavy, Nicole Nakonechny, Evans Memorial Grant, etc. By applying for these awards, you could be putting money in your chapter's bank account. Or, in the case of the Sarah Dunleavy Scholarship – in your own bank account! Check out [www.saddsask.ca](http://www.saddsask.ca) for more information.

SADD Saskatchewan is here to provide support and assistance to individual chapters by:

- distributing red ribbons to chapters
- providing a speaker tour during Impaired Driving Awareness Week
- providing cool promotional items to help with chapter fund raising
- administering the Evans Memorial Grant Program

Plus day-to day support and conference planning.

Tim and Jenny do a superb job supporting you and your chapters at the same time as keeping things running smoothly in the office. I would like to thank them both for their dedication and hard work. I look forward to working with them through the up-coming year.

On behalf of SGI, I want to express our thanks to each and every one of you for the work you do to reduce the incidents of impaired driving on Saskatchewan roads.

On a personal note, I treasure the time I get to spend with such exceptional young people and I look forward to another year of working with SADD. Hope to see you at Board meetings!

Kind regards,

Shannon Ell  
Community Director
