STUDENTS AGAINST DRINKING AND DRIVING SASKATCHEWAN

June, 2010

Warm weather fused with the energy and enthusiasm of more than 430 delegates and advisors from across Canada during the 20th Annual CYAID Conference in Regina. The conference took place May 13-16 at the University of Regina and included a busy weekend of speaker presentations and fun activities, including a tour of the RCMP Depot.

R: *John Westhaver* described the crash and its aftermath that left him with severe burn scarring.

L: *Krystal* from SMARTRisk spoke about making right choices.

CHAPTER ACTIVITIES

MEATH PARK SCHOOL CHAPTER used an interesting way to deliver the SADD message. In March, they purchased 13 bouquets of daffodils from the Cancer Society and tied a SADD red ribbon about each. These were placed in vases, and then given to each classroom. At the end of the school day, the SADD President made an announcement regarding the importance of cancer research and the importance of **Friends Don't Let Friends Drink & Drive**. It was a good way to get across two important messages. The Chapter also sold pink mocktails for Valentine's Day, had a speaker during Provincial Driving Awareness Week and a White Out Day.

HILLMOND CENTRAL SADD had two red ribbon campaigns. Ribbons were handed out along with bottles of water during their Terry Fox Run and, also, with the cutlery at a community Thanksgiving meal. Quizzes to test the students' knowledge on DUI resulted in the winning classrooms for each grade receiving a pizza party. The Chapter hosted two speakers during the year: Kerry Girling and Clayton Yurkoski. Other activities included: White Out Day; selling of mocktails; sale of pizzas; selling Mother's Day carnations; mock accident; check stop; purchase of Chapter jackets.

GRENFELL HIGH SCHOOL had a month long fundraiser that raised \$200. The winning classroom received an afternoon from classes. In June, the chapter will host a Fatal Vision Goggles relay race and a smash-a-car event.

EASTEND SCHOOL hosted speakers: an EMT, a member of the RCMP and a physiotherapist.

They also used a similar format from the 2008 SADD Saskatchewan Provincial Conference for *Next Top Role Model*. Students

of various ages worked together on teams. During March's Impaired Driving Awareness Week, the chapter held events daily, including: Drunk Driver Survivor, which is similar to the White Out activity. They gave each injured student a disability to deal with for the rest of the day. A story accompanied each injury.

KINISTIN EDUCATION CENTRE's SADD Chapter is made up of students from grade 5 to grade 9. They had their own Youth Conference and invited schools from Tisdale and Yellow Quill. The presenters spoke about being yourself, caring and drinking and driving. The Chapter used the Fatal Vision Goggles and invited the community to be involved with that activity. Among other awareness activities in the school and community, the Chapter put up posters and helped with seatbelt checks.

Speakers Tours

SADD sponsored two speaking tours this year, beginning with Provincial Driving Awareness Week in March. **Rand Teed** (host of *Drug Class* on SCN) spoke at 10 schools.

SADD hosted another two speaking tours in May. **Dennis Mitchell** and **Cara Filler** presented at a total of 16 schools.

Chapter advisor Tammy Davies from Wawota Parkland School SADD, said that Dennis Mitchell's presentation was "absolutely amazing" and that she believed everyone who heard him speak took home something positive.

R: *Dennis Mitchell* interacting with Wawota Parkland School audience.

SADD PROVINCIAL CONFERENCE 2010

Travelodge, Saskatoon

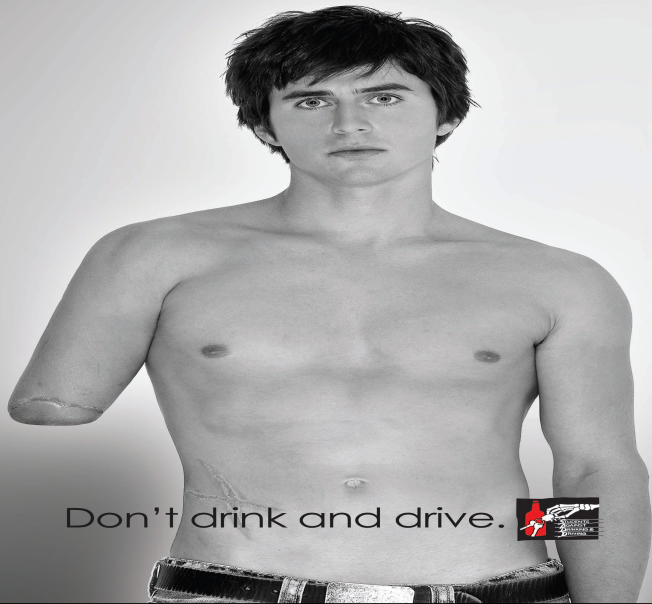

October 29 & 30th

Cost: \$70 each delegate

Rooms must be booked by chapters
