

SADD speakers Tour 2016

Saskatchewan Government Insurance and SADD Saskatchewan are pleased to offer 10 sponsored presentations featuring Amanda Oling during

**Provincial Impaired Driving Awareness Week
March 7 – 11, 2016**

Presentations to be held between Mon. March 7 and Fri. March 11 inclusive.

Amanda Stuhl-Oling grew up in rural Alberta and in 1999, realized her dream when she began a career in law enforcement. That career ended up spanning a period of 15 years and saw her hold various positions including Fish & Wildlife Officer, Special Constable and Community Peace Officer across various locations within the Province of Alberta.

Amanda is an engaging speaker on impaired driving and traffic safety. Drawing from her 15 year career in law enforcement, her presentations have been described as attitude changing and life altering by several businesses, schools and organizations. She has spoken to large corporations such as ConocoPhillips, Pembina Pipeline, Bonavista and Pengrowth Energy and been the keynote speaker at Provincial and National Conferences, including the Students Against Drinking and Driving Saskatchewan Provincial Conference and the Canadian Youth Against Impaired Driving National Conference.

Drawing from an immense personal tragedy in her own life – the loss of her Father to an impaired driver in a stolen vehicle while on his way to work in Alberta's oilfield – Amanda's life changing presentations focus on the risks and consequences associated with impaired driving and other traffic safety issues.

Amanda has a unique way of captivating and engaging her audiences through an effective blend of humour, hands on demonstrations using Fatal Vision goggles and dispelling myths on impaired driving.
