They had a crashed car displayed in front of their school during school registration and during a volleyball tournament. The chapter also had red ribbon rampages and they decorated all the garbage cans in their school and at their new communiplex with the slogan 'Trash Impaired Driving'. Their biggest event of the year was the launch of their poster campaign — they took pictures of 6 SADD members carrying a coffin in the cemetery with a hearse beside them and added the saying 'If You Drink, Don't Get Carried Away'. The posters were distributed around Melville to bars, schools, liquor stores, halls, rinks, and neighboring communities.

CHAPTER ACTIVITIES

Oxbow Prairie Horizons School

The OPHS SADD Chapter held their annual Boxcar Derby in September to start off the school year. SADD members had to create boxcars that could carry a student across the finish line the fastest.

In October, the Chapter had a Chili Bake Off. Teams donated chili and the SADD members paid \$2/bowl, non-members paid \$4/bowl, and everyone got to vote on the best chili as well as the 'SADDest' chili.

November brought the Cupcake Wars! Over 10 teams participated in the bake off (including the local RCMP) and SADD members paid \$2 to try each cupcake and vote on the best.

Also in November, the OPHS SADD Chapter had a presentation for the grade 7-12 students. Norbert Georget's Smart Youth Power Assembly was a powerful hour presentation about teenage drinking & driving, substance abuse, texting & driving, and peer pressure.

To finish off 2011, OPHS SADD Chapter had a Christmas Door Challenge — where every class in the school decorated their learning leaders door and the best decorated was awarded hot chocolate and cookies for their class; as well as a 'Texting and Intoxication Goggle Obstacle Course' — the course was set up for the noon hour and was designed to show students how dangerous distracted driving is.

Gravelbourg High School

To reintroduce their SADD Chapter, Gravelbourg held a ‘Jell-O-Eating Contest’! Grades 8 –12 participated as well as the school staff. Each team consisted of one male and one female competitor — lying on their stomachs with their hands tied behind their backs each team member had to eat 2 cups of Jell-O smothered in whip cream!! The winner was decided by how clean the paper plate was afterwards.

As a fundraiser in December the chapter held a competition to see who could make the best Mocktail! The SADD members made 4 different Mocktails and sold 2oz glasses for 25 cents. with a White Out Day — only the students in the Chapter were aware of the plan. The Chapter had Cst. CHAPTER ACTIVITIES

Sacred Heart High School

This SADD Chapter located in Yorton braved the -18 temperatures along with the Yorton city RCMP at the WalMart parking lot on December 3rd. They were there to spread Christmas Greetings and asking drivers to think and act responsibly over the holiday season. The Chapter handed out 500 red ribbons and tattoos and the RCMP members gave out stickers to the children safely buckled in their car seats!

The Chapter also made a 'Chain of Life', where all the students and staff put their name on a piece of paper and then attached all the names to make a chain! With the help of other local schools Sacred Heart decorated liquor bags with Winter and Christmas themes and the Yorkton Liquor Store distributed to their customers.

For Christmas the SADD members decorated all the lockers and door knobs in the school with red ribbons and held a contest for which first period class had the best decorated classroom door!

Kipling School

The goal for the Kipling SADD Chapter this year is to get more people in their school and community involved and aware of SADD.

They were involved with Addictions Week, as well as a White Day and Crazy Hat Day.

For the holiday season they decorated a Christmas tree with red ribbons and it was displayed at the front entrance of the school. They also made and decorated sugar cookies to sell to the K-3 students.

Currently the Kipling SADD Chapter is looking forward to seeing a sign they made placed along the highway!

North Valley High School

After attending the SADD Provincial Conference held in Regina in October, the North Valley SADD Chapter took the experience home and threw their own mini conference! They had a casino night with games, a dance, and lots of wonderful speakers. Their local RCMP Rep — Mr. Derrek Retacop — came out to the school to do a presentation about drinking and driving and the effects it can have on everyone around you.

The North Valley has a large SADD Chapter with 41 members allowing them to split up into smaller groups. Each group gets the opportunity to plan and do their own food sales and other fundraising activities!

They have also been placing posters around the school to raise awareness for the dangers of drinking and driving. The SADD Chapter had a ‘Red Ribbon Monday’, where they ran around the town tying red ribbons to parked vehicles — this activity was a huge success, the people of the community greatly appreciated the efforts and the SADD Chapter received great feedback!!!!

On December 30th they held a check stop with the local RCMP. The Chapter shared facts about drinking and driving with the drivers as well as informed them about SADD and their goals! A total of 48 vehicles were stopped that evening.
